

WEBINAR

# NUCLEAR VERDICTS AND THEIR RADIOACTIVE EFFECTS ON LITIGATION

TUESDAY • DECEMBER 13 • 2022

1-2 P.M. EASTERN

Jury awards that are grossly disproportionate to the facts of the case have been on the rise across Georgia. Are these jurors being swept away by their own biases? Are juries trying to punish or send a message with these rulings? Are nuclear jury verdicts a byproduct of COVID-19, or is there something bigger at play?

Join our attorneys as they discuss the underlying motives of nuclear verdicts and ways to potentially mitigate these high verdicts throughout litigation.
